### **Contact Information**

(218) 283-2541 CBP International Falls Port of Entry

### **Permission to Land Procedures**

Pilots must secure permission to land by contacting CBP in International Falls, MN prior to departure from the foreign port or place and at least 1 hour in advance of the anticipated arrival time at Lake Vermillion Seaplane Base.

Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside those parameters, Previously granted permission(s) are invalid and you must contact CBP to re-secure permission to land.

### **Inspection Process**

- An electronic APIS manifest must be filed for all private and commercial aircraft arrivals and departures in accordance with current regulations and procedures.
- Seaplane operators must land at Lake Vermillion and utilize the CBP ROAM application to complete arrival processes. A video inspection with CBP will be conducted at which time CBP may ask to see each passenger.
- The ROAM application is authorized for seaplane operator use only at limited locations. The use of ROAM for other private and commercial general aviation aircraft is not authorized.

### **Special Procedures/Miscellaneous**

- Only seaplanes are processed at this location.
- Seaplanes must land on the water, remain on the water, and not drive onto land.
