

## **Regular Office Hours**

24 hours per day, 7 days per week  
Eastern Time (ET)

## **Hours of Service for Entrance and Clearance**

Inspection services for the entrance/arrival of aircraft at Detroit Metropolitan Wayne County Airport are generally available 7 days per week, 24 hours per day in accordance with the port's permission to land procedures.

Commercial aircraft operators departing the U.S. must obtain an outbound clearance by contacting CBP directly.

## **Permission to Land Procedures**

Pilots must secure permission to land by contacting CBP prior to departure from the foreign airport and at least one hour (private aircraft) or 24 hours (charter aircraft) in advance of the anticipated arrival time at Detroit Metropolitan Wayne County Airport.

Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside these parameters, previously granted permission(s) are invalid and you must contact the CBP port to re-secure permission to land.

## **Inspection Process**

- A CBP Officer will meet the aircraft at the CBP designated circle to begin the inspection.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- Regulated waste/garbage will be collected by CBP from the aircraft crew.
- Private/Charter flights with 20 or more passengers/crew combined will be directed to a gate, and all passengers/crew and effects will be processed in the FIS.

## **Special Procedures/Miscellaneous**

- Contact Wayne County Airport Authority for additional airport information at 734-942-3550.
