### **Permission to Land Procedures**

Pilots must secure permission to land by contacting CBP Friday Harbor prior to departure from the foreign port or place and at least one hour in advance of the anticipated arrival time at KFHR.

Permission to land is granted with a tolerance of (+/-) 15 minutes. If your ETA deviates outside those parameters, Previously granted permission(s) are invalid and you must contact CBP to re-secure permission to land.

### **Inspection Process**

- Aircraft should park on the tarmac at the spot marked CBP.
- A CBP Officer will meet the aircraft on the tarmac to begin the inspection.
- All crew and passengers will be processed accordingly.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- There is no USDA compliance agreement in place at this airport for the collection of regulated waste/garbage. Only aircraft arriving from Canada can be serviced by CBP at this airport.

### **Special Procedures/Miscellaneous**

- This airport is serviced by CBP Officers from Friday Harbor POE, WA. CBP services may not be available due to other inspections that have already been scheduled.
- Limited inspection services for the entrance/arrival of aircraft at the Friday Harbor Airport are available on a case-by-case basis. Requests for service must be approved by a CBP Officer. In the event that no one is available to answer your call when requesting services, please leave a voicemail with a name and callback number.
- Leaving a message requesting services does not guarantee approval. A CBP Officer will return your call to advise if request for landing is approved. Any request for services outside of our regular office hours will be denied.
- Advise CBP if transporting live animals, weapons, hunting trophies, or commercial imports.
