Permission to Land Procedures

Pilots must secure permission to land by contacting CBP
prior to departure from the foreign port or place and at
least two hours but not more than 24 hours in advance of
the anticipated arrival time at Niagara Falls International
Airport.

Permission to land is granted with a tolerance of (+/-) 30
minutes. If your ETA deviates outside these parameters,
previously granted permission(s) are invalid and you
must contact CBP to re-secure permission to land.

Inspection Process

- The control tower will direct the aircraft to the proper gate/ tarmac location which will generate a block time.
- All crew and passengers will be processed inside the FIS.
- Be prepared to present travel documents.
- International waste will be processed by CBP Agriculture Specialists.

Special Procedures/Miscellaneous

- None

NOTE: For further detailed information regarding national GA processing standards and procedures,
please refer to the CBP Private Aircraft Arrival Information Document or contact GAsupport@cbp.dhs.gov
