Permission to Land Procedures

Morristown Municipal Airport (KMMU) is designated as a "user fee airport" [19 CFR 122.1(m);19 CFR 122.15].

Pilots must secure permission to land by contacting CBP at least 2 hours prior to departure from the foreign port or place.

Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside these parameters, previously granted permission(s) are invalid and you must contact the CBP port to re-secure permission to land.

Inspection Process

- Arriving aircraft are required to park on the CBP ramp.
- The airport control tower can direct you in if needed.
- All crew and passengers will be processed inside the FIS.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- Regulated waste/garbage will be collected by airport personnel from the aircraft crew.
- Passengers can depart direct from the FIS at the conclusion of their inspection.

Special Procedures/Miscellaneous

- Morristown Airport is designated to process passenger flights only, no cargo can be processed.
- Calls and email messages will not be answered outside of regular business hours.
- Requests for permission to land outside normal hours of operation M-F, must be made prior to 1200 (ET).
- Requests for weekend service must be made prior to 1200 (ET) on Friday. If a holiday falls on the weekend, requests for permission to land must be made before 1200 (ET) the previous business day.
- Advise CBP if transporting live animals, weapons, hunting trophies, or commercial imports.
- For additional information about Morristown Airport call (973) 538-6400.

NOTE: For further detailed information regarding national GA processing standards and procedures, please refer to the CBP Private Aircraft Arrival Information Document or contact GAsupport@cbp.dhs.gov
