Permission to Land Procedures

Pilots must secure permission to land by contacting CBP one
hour prior to departure from the foreign port or place.

Permission to land is granted with a tolerance of (+/-) 30
minutes. If your ETA deviates outside these parameters,
previously granted permission(s) are invalid and you must
contact the CBP port to re-secure permission to land.

Inspection Process

- Aircraft should park by the inspectional office near the fuel pumps.
- A CBP Officer will meet the aircraft outside to begin the inspection.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- Passengers can close out flight plans and depart directly at the conclusion of their inspection.

Special Procedures/Miscellaneous

- None
