### **Permission to Land Procedures**

Pilots must secure permission to land by contacting CBP  
prior to departure from the foreign port or place and at  
least one business day in advance of the anticipated arrival  
time at KRNT.

Permission to land is granted with a tolerance of (+/-) 30  
minutes. If your ETA deviates outside these parameters,  
previously granted permission(s) are invalid and you must  
contact CBP to re-secure permission to land.

### **Inspection Process**

- Aircraft should park at the FBO.
- There is no CBP office at this location.
- A CBP Officer will meet the aircraft on the ramp/dock to begin the inspection.
- All crew and passengers will be processed planeside.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- There is no USDA compliance agreement in place at this airport for the collection of regulated waste/  
garbage. Only aircraft arriving from Canada can be serviced by CBP at this airport.

### **Special Procedures/Miscellaneous**
