South Bend International Airport (KSBN) is designated as a "user fee airport" [19 CFR 122.1(m);19 CFR 122.15].

Pilots must secure permission to land by contacting CBP prior to departure from the foreign port or place and at least one business day in advance of the anticipated arrival time at KSBN.

- The aircraft control tower can direct you in if needed.
- A CBP Officer will meet the aircraft on the ramp to begin the inspection.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
