Permission to Land Procedures

Pilots must secure permission to land by contacting CBP
prior to departure from the foreign or place and at least
24 hours in advance of the anticipated arrival time at
KSGF.

Permission to land is granted with a tolerance of (+/-) 30
minutes. If your ETA deviates outside these parameters,
previously granted permission(s) are invalid and you
must contact CBP to re-secure permission to land.

Inspection Process

- Aircraft should park in the red box at the CBP GAF located on the Southeast corner of the airfield near taxiway DELTA and runway 32.
- The aircraft control tower can direct you to the GAF if needed.
- The GAF is not attached to the FBO nor the main terminal.
- A CBP Officer will meet the aircraft on the ramp to begin the inspection.
- All crew and passengers will be processed inside the GAF.
- Be prepared to present passports, visas, pilot's license, medical certificate and user fee decal/user fee receipt of payment.
- Regulated waste/garbage will be collected by CBP from the aircraft crew
- The FBO does charge for the disposal of the regulated waste/garbage, payment will be made directly to the FBO.
