## **Hours of Service for Entrance and Clearance**

Inspection services for the entrance/ arrival of aircraft at Tucson International Airport are generally available seven days per week, 24 hours per day in accordance with the port's permission to land procedures.

Commercial aircraft operators departing the U.S. must obtain an outbound clearance by contacting CBP directly.

## **Permission to Land Procedures**

Pilots must secure permission to land by contacting CBP no later than one hour prior to departure from the foreign port or place.

Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside these parameters, previously granted permission(s) are invalid and you must contact the CBP port to re-secure permission to land.

## **Inspection Process**

- Aircraft should taxi directly to the general aviation facility (GAF) and park at the base of the old/ historical air traffic control tower.
- The aircraft control tower can direct you to the GAF if needed.
- A CBP Officer will meet the aircraft on the ramp to begin the inspection process.
- All crew and passengers with all personal belongings and baggage will be directed to and processed inside the GAF.
- The GAF is not attached to the main terminal or any FBO.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal.
- Regulated waste/garbage will be collected by CBP from the crew.
- Passengers can depart directly from the GAF at the conclusion of their inspection.

## **Special Procedures/Miscellaneous**

- Hours of operation are in -0700 Zulu, as Arizona does not recognize daylight savings.
- If the flight has hunting rifles, animal trophies, game meat, or live animals, you must notify CBP Tucson 24-hrs prior to your scheduled arrival.
- Updates to ETA/ETD to KTUS, arrival location, flight cancellation/diversion you must notify CBP Tucson immediately by phone.
