Hours of Service for Entrance and Clearance

Inspection services for the entrance/ arrival of aircraft at Ted Stevens Anchorage International Airport are generally available 7 days per week, 24 hours per day in accordance with the port's permission to land procedures.

Commercial aircraft operators departing the U.S. must obtain an outbound clearance by contacting CBP directly.

Permission to Land Procedures

Pilots must secure permission to land by contacting CBP prior to departure from the foreign port or place and at least two hours in advance of the anticipated arrival time at Ted Stevens Anchorage International Airport.

Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside these parameters, previously granted permission(s) are invalid and you must contact the CBP port to re-secure permission to land.

Inspection Process

- The aircraft should contact the Operations Office upon arrival and park at the area on the ramp as instructed by the officer.
- A CBP officer will meet the aircraft on the ramp to begin the inspection.
- All crew and passengers will be processed accordingly.
- Passports, pilots license, medical certificate, aircraft registration and user fee decal will all be physically verified.

Special Procedures/Miscellaneous

- When requesting permission to land, please indicate where you intend to land (TSAIA or Lake Hood).
- Aircraft arriving from Canada that must refuel in Alaska prior to arriving at Anchorage, must file for landing rights for Northway Airport and contact the Alcan Port of Entry at 907-774-2242/2252.

NOTE: For further detailed information regarding national GA processing standards and procedures, please refer to the CBP Private Aircraft Arrival Information Document or contact GAsupport@cbp.dhs.gov
